LOCATION & ASSIGNMENT OF CREWS

Crew Staging at Aniak, AK Air strip

STATE: Alaska

Direct contact was made with the crew today via cell phone voice message from CRWB Brandon Howard of the KY-ST crew. They were released from the Mishevik fire and were to arrive by helicopter to Aniak, AK today. They are staged there until they begin to make their way back to Fairbanks Mob Center/Ladd on Wednesday, July 7.

| Crew# | Crew | Fire | Acres | Division | START Shift | END Shift | Cell Service |

Crews Staging at Mob Center, University of Alaska Fairbanks

STATE: Alaska

(Standard Creek Fire: AK-FAS-511?)

(Bonanza Fire: AK-FAS-511394)

(Railroad Fire: AK-FAS-511588)

The crews ended their assignment on the Anaconda Creek fire and are being utilized to grid several lightning strike fires that are currently being monitored, south of Fairbanks, AK. They checked into the Mob center at the University of Alaska Fairbanks approximately 11:30 and will be there until they will head to the Alaska Fire Service (AFS) on 07/08/15 for demobilization back home on 07/09/15.

| Crew# | Crew | Fire | Acres | Division | START Shift | END Shift | Cell Service |

MORALE OF CREWS:

Good

INJURIES:

None

MESSAGE: The IMT transitioned management of the Anaconda Creek fire to a local Type 3 team at 0800 Monday, July 6th. The four crews were released from the Anaconda Fire and are being utilized by the State DNR office to grid some older lightning strike fires about 30 miles south of Fairbanks, AK. They will be positioned at the Mob Center at the University of Alaska Fairbanks until they stage at Ft Wainwright on the last evening of their assignment and travel back to Knoxville 07/09/15. The NICC jet is scheduled for departure Thursday, July 9 likely around 10:00. Flight Itinerary will be forwarded as it becomes available. They will RON in Knoxville the night of 07/09/15 before heading to their duty stations.
